You are invited to join us for a three-day, three-night ACTS retreat presented by the Saint Paul ACTS Retreat Team

This ACTS retreat allows you to focus on your faith and its application in daily life, to build purpose in your prayer life, to increase your presence at the liturgy, and to cultivate friendships with others who share our faith.

The retreat begins on a Thursday evening, with check-in at the Saint Paul Parish Center. You are encouraged to bring family members or friends to see you off. Transportation will be provided to and from the Catholic Conference and Formation Center.

The weekend concludes on Sunday at the 11:00 a.m. liturgy at Saint Paul the Apostle. Immediately following the Mass, retreatants will share refreshments and fellowship in the parish center with their families and other members of the parish community.

Spiritual direction will be provided throughout the retreat.

Cost

The cost for each retreatant is \$195.00. This covers all meals and lodging. A registration deposit of \$100 must be submitted with this form to reserve your place. The remaining balance of \$95 is due on Thursday at check-in. Please do not let the cost of the retreat keep you from participating.

Purpose of ACTS

ACTS is an acronym for Adoration, Community, Theology and Service. The purpose of an ACTS weekend is to provide an opportunity for retreatants to develop a deeper relationship with the Lord and fellow parishioners through Adoration and daily prayer; through Community in one's parish as a member of the Body of Christ; through Theology or the teachings of our Catholic faith by encouraging more study, and to instill a virtue of Service to our Lord, our parish and each other.

Message of ACTS

ACTS is inspired by the ACTS of the Apostles 2:42-47:

They devoted themselves to the teachings of the apostles and to the communal life, to the breaking of bread and to prayers. Awe came upon everyone and many wonders and signs were done through the apostles. All who believed were together and had all things in common: they would sell their property and possessions and divide them among all according to each one's need. Every day they devoted themselves to meeting together in the temple area and to breaking bread in their homes. They ate their meals in exultation and sincerity of heart, praising God and enjoying favor with all the people. And, every day the Lord added to their number those who were being saved.

Goal of ACTS

An ACTS retreat strives to achieve the directives of Vatican II and the goals of the Revised Code of Canon Law of 1983 to place more emphasis on "Community and Pastoral Care" within a parish; that the participants experience God's love and joy throughout the weekend, and return to their parishes with a deeper love for each other and a desire to become more involved in the parish faith community.
