## Make this your best Lent ever: Saint Paul provides pathways

Here is a comprehensive Lenten calendar for you—our cherished Saint Paul faith community—to help you make this your **best Lent ever!** It has been compiled by the Saint Paul Communications Ministry.

Lent technically lasts for 46 days. The period is a mirror of the 40 days that Jesus spent in the wilderness, fasting, praying, and being tempted by Satan before he started his public ministry. In the Jewish tradition, fasting can be skipped on the Sabbath, the six Sundays during Lent. The concept behind Lent is that each year, Christians will mimic Jesus's actions in the wilderness. Lent is sometimes called the "Great Fast." It's a period of time in which Christians are meant to give up some comfort or adopt some spiritual practice that leads to self-examination, repentance from sin, and, ultimately, renewal of the soul, all in anticipation of greater dedication to serving others and God in the coming year.
